29th August 2019

Dear Parents and Carers

Safe Collection of children. In the interests of pupil safety, we would like to ensure that all pupils have been collected by a responsible adult at the end of the school day. For our younger classes, the children remain in school until the class teacher or their assistant dismisses the pupil to the adult who is collecting them. This is different for the older classes, who jointly exit via the door on the Year 5/6 corridor.

In order to promote independence, some pupils in Year 5 and 6 only, will walk home by themselves. Parents wishing for their child to walk home by themselves, please complete and return the slip below, so the staff are aware who has permission to do so.

Many thanks, in anticipation of your cooperation in this matter.

Yours sincerely

Paul Brockless
Head Teacher
