3 February 2020

Dear Parent/Carers

NEW GATE ACCESS

As I am sure some of you will have already noticed, the school has recently had the perimeter fencing upgraded, with new gates and an intercom system to enhance safeguarding and safety around the school. The new pedestrian gate in Stonebow Close will be operational from 8.30 am until 3.30 pm. To gain access to school, please press the intercom and the Office will let you in/out. The gate will automatically close behind you and the black outer gate will remain open during the school day.

The children and parents will still use the main gate on Maxwell Drive at the start and end of the school day as normal. If parents wish to visit the office after dropping their children off or collecting them, please use the visitor entrance on Stonebow Close.

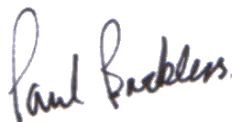

The car park is for staff only and therefore should not be used by parents at any time (including dropping off and picking up from after school clubs and Playfit).

Access to and from Playfit between 7.30 am - 8.35 am and after school until 6 pm will be via the newly installed gate at the side of the main playground. Playfit have sent a letter to their parents giving details. We may also use this gate in the future for functions in the hall. Please refrain from using this gate as a short cut to the office, as walking through the car park at this busy time of day presents obvious dangers.

When parking in the surrounding areas, please be mindful of our neighbours. Please be aware that the layby outside the school gates operates a **NO PARKING ZONE** between the hours of **8.00 am and 4.00 pm** (parking before and after these times is permitted). If you park your vehicle during the no parking zone hours, then you may be liable to pay a parking fine. Traffic Inspectors are in operation in this area.

Thank you for your cooperation in this matter.

Yours faithfully

Mr Paul Brockless
Headteacher
