Dear Parents/Carers

USE OF MOBILE PHONES / WHATSAPP

It has come to our attention that many children are using WhatsApp outside of school on their personal mobile phones or other devices. WhatsApp forbids young people under the age of 16 from using this app and, therefore, primary school aged children should not be using it at all. However, our main concern is that there are inappropriate conversations occurring between children on this app, with some children becoming very upset inside and outside of school.

Thank you to the parents who have notified us that this is happening, and removing the app from your children's phones. Please can we encourage all other parents to remove this app and monitor conversations occurring outside of school hours.

Yours faithfully,

A handwritten signature in black ink that reads "Paul Brockless".

Mr Brockless
Headteacher
