

Correspondence with our PenPal School in France Ecole Robert Desnos – November 2022

We have made new contact with Herve Luchier a Year 3 and 4 teacher in Epinal, France and exchanged Remembrance photographs and correspondence to cement our relationship.

Check out the Remembrance collage we sent from our school and the photos Herve sent to us!

This is part of the message from Herve:

I'm sending you some photos of our paper poppies and also one showing the students listening to two men who came to explain the first world war at school. They had wear the French Uniform "bleu horizon" of the 1st world war and had bring many other things.

Passe un bon week end et à bientôt

Merci à toi
